

## **Web/Graphic Designer**

We are looking for a motivated and creative individual with at least 2 years experience to join our team. Proficiency in Photoshop, Illustrator, InDesign, HTML and CSS is required. Knowledge of Flash Actionscripting and Javascript are considered as additional assets.

### **Primary job tasks:**

- Creating and presenting proposals for affiliate related websites
- Converting designs into standard compliant HTML/CSS templates
- Liaising with developers on various web based projects
- Designing and coming up with new ideas for web application interface design
- Creating flash based tutorial presentations for web deployment
- Maintaining and updating of web and print software documentation
- Maintaining and improving of NetRefer's website
- Assisting the Creative Director on other daily tasks
